## Tri-City Ethics Collaboration

Dear Participants:

As part of the Tri-City Fall Ethics Collaboration each participating facility is encouraged to bring a poster (or two) as an informational forum attendees may view during an hour poster session. Posters will remain on display in the Mezzanine area (outside of the Theater where the main session and Grand Rounds are to be held) until the end of our conference giving additional time to return to and glean more information.

This is an excellent opportunity to show and share what your facility is doing to address ethics in all venues such as; education, research, consultation, or standards in ethics. Please appoint a representative(s) to be stationed near your table to meet participants during this hour to present highlights, hand out information and answer questions. A tag-team option will give all in attendance a chance to make the rounds.

**Poster set up time is 5:30 - 6:00**

**Place: SVSU Curtiss Hall Mezzanine**

**Poster Session: 6pm – 7pm, September 16<sup>th</sup>, 2010**

Posters will need to be taken down and removed at the end of the Panel Discussion (Sep 17<sup>th</sup>, 10:00AM).

Please notify your conference host of support you will need to set up your poster(s) (such as # tables, power source ...etc.).

Please indicate participation in the Poster Session remittance of registration.

Facility poster presentations will be evaluated and awarded in three categories by the criteria below. This extension of the conference should leave a positive - lasting impression that demonstrates your facility has fully embraced the importance of an effective Ethics Program!

### 3 Award Categories for the Ethics Poster Session:

- 📄 **Merits of Content:** Extends the practical application of your ethics program.
- 📄 **Illustration:** Enhances ethics application through creative attention getting visuals.
- 📄 **Demonstrates Ethics:** is an effective, active component of their facility.

*Thank you* for your interest and participation. We look forward to seeing you in this sharing adventure!

Haven't prepared a poster before? Check out the easy to fill in template on Microsoft office Power Point. Choose "new presentation" then in the search box type in poster. Several choices will come up; select the one at the bottom, "Medical Scientific" 48 X 36.
