March 28, 2016

Dear Vietnam Era Veteran:

During the week of March 28, 2016, our VA facilities will recognize and honor Vietnam Veterans. The Aleda E. Lutz VA Medical Center is a recognized Vietnam Veteran Commemorative Partner, and we are dedicated to honoring and recognizing Veterans of the Vietnam Era.

It is our honor and privilege to provide VA care and services to you at the Aleda E. Lutz VA Medical Center and VA Healthcare Annex in Saginaw, as well as at our Community Based Outpatient Clinics in Alpena, Bad Axe, Cadillac, Cheboygan County, Clare, Gaylord, Grayling, Oscoda, and Traverse City, Michigan.

Many of you never had a choice to serve, and we know that. Many of you never received a thank you when you were discharged from active duty. We want to take this opportunity to thank you for your commitment and sacrifice whether in combat or support roles. Your dedication to serving when your country called on you will never be forgotten.

We also want you to know your service was noteworthy and we are here to help you in any way we can by providing holistic care, and assisting with the benefits and services you have so righteously earned.

Respectfully,
