Women Veteran Health Care

Did you know women are the fastest growing group within the Veteran population? It's true! The VA is aggressively working to further improve programs so female Veterans have their health care needs met with high-quality, comprehensive health care services.

WOMEN VETERANS CALL CENTER

1.855.VA.WOMEN

The Women Veteran Call Center is a resource for any women who served in the Armed Forces. It can also be used by families, caregivers, and friends of women Veterans. The Call Center can answer questions relating to:

- Eligibility
- Benefits
- Health Care
- Claims and much more!

Hours of Operation:

Monday-Friday 8 am—10 pm

Saturday 8 am – 6:30 pm

VA Programs for Women Veterans

- Primary/General Care
- Mental Health
- Military Sexual Trauma Counseling
- Specialty Care (diabetes, cancer, HIV)
- Reproductive Health (infertility, maternity)
- Rehabilitation Care
