

VISITOR ALERT

Due to an increase in flu illnesses, the following visiting restrictions are in effect.

- ◆ If you have a **cough, congestion, runny nose, or fever**, please do not visit until you have not had symptoms for 24 hours.
- ◆ If you must visit, ask a staff member for a protection mask to wear during your visit.
- ◆ **Wash your hands** with soap and water, or use hand gel frequently to stop the spread of germs.
- ◆ **No Visitors** under 18 years of age.

We thank you for helping us
prevent the spread of Influenza!
