Aleda E. Lutz VA and Nine Community Based Outpatient Clinics
Ready to Serve, Those Who Have Served!

In conjunction with the implementation of The MISSION Act in June, the Aleda E. Lutz VA in Saginaw, and Community Based Outpatient Clinics in Alpena, Bad Axe, Cadillac, Cheboygan County, Clare, Gaylord, Grayling, Oscoda, and Traverse City, have a message for Veterans, “We are proud to serve those who have served, and confident we can provide quality, comprehensive care at a VA near you!”

Why VA for Veteran care?

The VA
 is accredited by Joint Commission and reviewed by Office of Inspector General (OIG).
 understands Veterans better. Staff are specifically trained to provide quality, safe care to those who have served and specialize in Veteran health issues.
 offers a Whole Health approach to care to help optimize Veterans’ health goals and outcomes and incorporate integrated therapies which include yoga, tai chi, and more.
 offers specialized counseling for military-related issues and mental health conditions such as Post Traumatic Stress Disorder (PTSD), Substance Abuse, or Military Sexual Trauma (MST).
 exceeds private sector benchmarks for Preventive Health and Chronic Disease Prevention.
 involves Veterans and captures the Voice of the Veteran as we work to improve care and services.
 continues to receive high patient satisfaction in comprehensive care and services.
 is recognized nationally for successfully ending Veteran homelessness!
❖ provides continuity and coordination of care through the shared electronic medical records and other mechanisms in place for your providers to work together for you.

❖ has top-notch information technology through telehealth (virtual care), mobile phone applications, and MyHealtheVet, allowing you to receive care closer to your home, or in the comfort of your home!
  ❖ VEText – A text comes to your phone to remind you of an upcoming appointment.
  ❖ Open Slot Management – through VEText, Veterans may be given an option of an earlier appointment if a Veteran cancels his/her appointment.
  ❖ Veterans’ health records from the community easily shared with VA Medical Centers when community providers participate in the Veterans Health Information Exchange (VHIE) program.

❖ provides better access to Primary Care and Specialty Care and can help you coordinate multiple appointments for the same day, under one roof. This includes labs, x-ray, primary care, pharmacy and some specialty care appointments!
