Your VA

❖ is accredited by Joint Commission and reviewed by Office of Inspector General (OIG).
❖ understands Veterans better. Staff are specifically trained to provide quality, safe care to those who have served and specialize in Veteran health issues.
❖ offers a Whole Health approach to care to help optimize your health goals and outcomes and incorporate integrated therapies which include yoga, tai chi, and more.
❖ offers specialized counseling for military-related issues and mental health conditions such as Post Traumatic Stress Disorder (PTSD), Substance Abuse, or Military Sexual Trauma (MST).
❖ exceeds private sector benchmarks for Preventive Health and Chronic Disease Prevention.
❖ involves Veterans and captures the Voice of the Veteran as we work to improve care and services.
❖ continues to receive high patient satisfaction in comprehensive care and services.
❖ is recognized nationally for successfully ending Veteran homelessness!
❖ provides continuity and coordination of care through the shared electronic medical records and other mechanisms in place for your providers to work together for you.
❖ has top-notch information technology through telehealth (virtual care), mobile phone applications, and MyHealtheVet, allowing you to receive care closer to your home, or in the comfort of your home!
  ❖ VEText – A text comes to your phone to remind you of an upcoming appointment.
  ❖ Open Slot Management – through VEText, Veterans may be given an option of an earlier appointment if a Veteran cancels his/her appointment.
  ❖ Veterans’ health records from the community easily shared with VA Medical Centers when community providers participate in the Veterans Health Information Exchange (VHIE) program.
❖ provides better access to Primary Care and Specialty Care and can help you coordinate multiple appointments for the same day, under one roof. This includes labs, x-ray, primary care, pharmacy and some specialty care appointments!
