VA Medical Center Renovation

The main medical center will undergo renovations to hallways and floors, with some remodeling of waiting rooms and layout of certain floors. During this time we will keep you aware of clinic moves.

Currently, the following are relocated:

- Eligibility – 5th Floor, Rooms 5145 and 5150
- Pain Clinic – 4th Floor, Rooms 4200, 4208, and 4211
- Anti-Coagulation Clinic – 3rd Floor, Rooms 3200 and 3206
- Non-VA Care Billing – 5th Floor, Room 5129
- CoPay Billing – 5th Floor, Room 5133
- Behavioral Health Specialist – Bldg 22 Basement – Room 525 – Check In with Physical Therapy
- Agent Cashier – Room 1341-1 (Around the corner from the Canteen and Retail Store)

Patient Advocate - Room 1-1330, located across from the Veterans Canteen Service Patriot Café.

Patient Education Room (formerly on 2nd Floor) – Room 5140, 5th Floor (effective August 30, 2017)

2nd Floor Waiting Room Renovations will require waiting rooms to be relocated to the following:

--Temporary lab check-in and lab waiting will be located in alcove Room 2218.
--MSA’s and main waiting for Dental and Respiratory will be located in Room 2325.
--Waiting for Ultrasound and Nuclear Medicine will be located in Room 2264.
